

**DO YOU NEED TO UPDATE A VFD IN YOUR FACILITY?
ARE YOU TRYING TO TROUBLESHOOT AND REPAIR A VFD THAT'S
OBSOLETE AND READY TO FAIL?**

WINKLE ELECTRIC AND ALLEN-BRADLEY
HAVE THE PERFECT OPPORTUNITY FOR YOU!

Cash For Competitive Clunkers Program

- This program includes any PowerFlex™ AC¹ or DC drive.
- We can offer *up to a 35%* discount from list pricing on drives and associated hardware (communication modules, reactors, choppers, etc.).
- Includes one of two options with your drive purchase
 - Protection Plus Start Up (includes 2 year parts and labor warranty)²
 - Additional 1 or 2 year parts only warranty³
- All we ask is for your “clunker” in return.
- This program will run through 2010.

It's just that simple. Please contact your Winkle Electric sales representative for additional details.

Don't know which drive to use? We can help.
Give us a call to discuss your drive application
and we can choose the best drive based on the
functionality you need.
