## LOCAL SERVICE, REAL SOLUTIONS

At Winkle Electric, we pride ourselves in providing the very best available parts and supplies, but what really sets us apart from the competition is service. We go the extra mile to get to know your business, and we'll do much more than just take orders and deliver products. We strive to supplement our tangible products and supplies with helpful suggestions, prompt follow-up and practical solutions.

## TOP MANUFACTURERS

Take a moment and list a few of the world's most respected names in the electrical part and supply industries. Then, take a look at the list of manufacturers who have put their trust in Winkle Electric to serve as their distributor. Without a doubt, the names on your list will be the same as the names on ours.

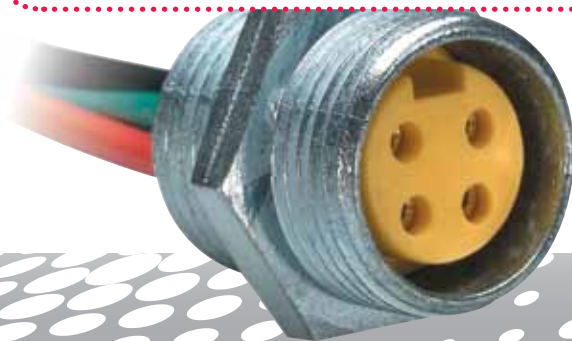

Among the manufacturers with whom Winkle Electric has built successful long-term relationships with are:

- Allen-Bradley
- Hirschmann Automation
- Sola/Hevi-Duty Worldwide
- Rockwell Software
- Lithonia Lighting
- Hoffman Engineering
- Siemens
- Ferraz Shawmut
- Daniel Woodhead
- Philips Lighting
- Panduit
- Cooper Crouse-Hinds
- Cooper Wiring Devices
- Omni Cable
- Edwards Signaling

Winkle Electric houses among the region's most extensive inventory of parts and supplies from literally dozens of electrical manufacturers. And in those rare cases when we don't have what you need in stock, we can get it almost immediately. Also, Winkle offers clients customized, automated ordering and shipping processes to accommodate the "just in time" arrival of assembly components.

"What sets Winkle apart from other distributors is their strong pre-sale and post-sale support. Winkle helps customers understand the technical differences of a product before they purchase it."

## SOLUTIONS

At Winkle Electric, our group of outside and inside account representatives is complemented by a highly trained team of product specialists, all at your disposal. Our sales and specialist staff offer a consultative approach to customer relationships.

Our list of long-term relationships includes customers from virtually every type of business—industrial and commercial facilities, contractors, original equipment manufacturers, systems integrators, institutional and educational facilities, and many others. All of our clients do, however, have one thing in common; an appreciation for a partner who goes beyond selling products to providing solutions.

## FREE, LOCAL, NEXT-DAY DELIVERY

When you depend on Winkle Electric for your parts, components and supplies we offer free, next-day local delivery on our company-owned trucks. This helps us keep our promises, and helps you keep your operations running smoothly.

Ready to recommend and implement the solutions you need, just when you need them most.
